Company profile

STAY DESIGNED , Home goods design & services studio.

We embarked on our journey in 2020, during one of the most challenging times, with a single person at the helm. Slowly but steadily, a skilled and knowledgeable team joined, helping us navigate the design of hard goods and textiles."

As of 2024, we have established a dedicated unit focussed solely on creating innovative ideas, techniques, and finishes, while working closely with clients to develop distinctive and unique collections for hard goods and softgoods.

Our talented team of designers and 3D visualizers ensures that each design is crafted with a keen eye for aesthetics, precise proportions, dimensions, textures, and finishes, while offering support throughout the development process.

To date, we have worked with several buying agencies across the country, including prominent names like Flatworld Design & Sourcing, IXUS, and United Alliance, as well as various manufacturing setups across India. We have also established collaborations with international retailers like CASA AMAROSA.

JOB DESCRIPTION

Company profile

As we move forward in 2024 , we have made a collaboration with renowned manufacturing and export setups who are directly working with established international retailers.
